MEDICAL PROPERTIES AND USES: It is the most sure and speedy cure for Rheumatism, Rheumatic Gout and Rheumatic Paths of all kinds that was ever introduced into the Materia Medica. The UNK WEED REM-EDY, as prepared by us, in consequence of the existing bitter principle, possesses the neces-sary virtue of being a

Powerful Tonic,

Promoting the Appetite and Invigorating the while Digestive Appuratus, thus building up and strengthening the system, while at the same time the volatile principle, being absorbed in the blood, acts specifically on the Rheumatic Poisson, removing it from the circusorbed in the blood, acts specifically on the Rheumatic Poison, removing it from the circulation and system.

There are few remedies known to the Medical Profession which will remove the Rheumatic Poison from the blood, but whose action is so powerful in depressing the system of the altready enfected Rheumatic patient, that their use has to be shandoned before specific effects are obtainable, and hence the want of success in treating this prevalent and consequently heretofore incurable disease. Unlike these medicines, already known, the UNK WEED REMEDY, although producing as active and as powerful effects on the blood and system in removing the Rheumatic Poison, also possesses a strong Tonic and Recuperating Element which admits of its continued use even by the most delicate and dehilitated. Thus we have the combination for the first time of these two necessary elements in one remedy, which accounts for its superior and never-falling curative effects in Rheumatism, Rheumatic Gout and Rheumatic Pains of all kinds.

N. R. The UNK WEED REMEDY is particularly APPLICABLE TO LADIES, in consequence of its Tonic Qualities. Will be Issued on Friday of every week, co
